NO FLOWERS IN ADVENT
First Sunday of Advent

Today we begin the season of Advent; we open our hearts so that the love of Jesus can be born in us again this Christmas. In the second reading Saint Paul expresses it very beautifully. “May the Lord be generous in increasing your love and make you love one another and the whole human race as much as we love you...” and to “urge you to make more and more progress... in the kind of life that God wants... that you are already living”. In these words Saint Paul affirms the people of Thessalonica and encourages them to do more. I humbly repeat Saint Paul’s message and say to you members of Holy Child “since I first met you, you have always been a welcoming and generous community, continue to be like this and if possible stretch to do a little more of God’s work.”
