**Prayer Service at 12noon in Church  &  Special Assembly at 2.00pm**
Dear parents,

Welcome back to a very busy term 3. (No different to most other terms really!) Our first week was full with parent/teacher/student interviews. I hope you were able to speak with your child’s teacher regarding progress in all aspects of their learning and that if areas of concern were noted a possible resolution or new approach is being established.

If you were unable to meet at the time please make sure you get in touch with the school so that another meeting time can be arranged. It is so important that we work together to assist in improving the learning outcomes of your children.

Our first year 5/6 camp has been the highlight of week 2 with all our students and staff having a wonderful time testing each other out and challenging themselves to ‘have a go’! Thank you to the staff who gave up their three days to be away from their own families. Even though many year 6 students felt, at first, it unfair that their camp was being over taken by the year 5’s I believe the benefit of the whole group spending this time together helped build their relationships and will continue for the rest of the year and hopefully beyond!

Early reports from the Zoo were very promising. The Year 3/4 students and teachers hadn’t seen any escaped orangutan but were all having a great time regardless.

Over the past week our prep teachers have been spending considerable time answering questions for the Australian Early Development Census for each prep student. The census is anonymous however the information gained is used for planning purposes into the future. The questionnaire measures five key areas; physical health & wellbeing, social & emotional maturity, language skills & communication skills & general knowledge.

Today is the last day for Mrs Fox Hooper who leaves to go on Maternity Leave. We wish Jackie all the very best as she patiently awaits the arrival of her second child. Ms Rachel Gauci will take over 5/6JFH (Mon – Thurs) for the rest of the year. We warmly welcome Rachel to our school and hope her time with us is full of opportunities to develop her teaching skills in the 5/6 level.

I am still developing the role of our new school board. At present we have a couple of parents who have kindly put their hands up to be part of the initial board and would again ask for any parents to let me know if they would be willing to be part of this group. Normally, a school board is set up to oversee or develop new initiatives in relation to the overall running of a school. It is not the function of the board to solve all the issues or to be the organisers, cooks, cleaners or money collectors! Please give some consideration to putting your or someone else’s name forward in the next few weeks.

Have a great week (& weekend!)

School Accounts

School Accounts will be sent home within the next week.

Please pay as soon as possible

Dear Parents,

Accounts will be sent home within the next week. Please make an effort to finalise your outstanding fees from Terms 1 & 2.

The only outstanding amount on your accounts should be the Term 3 & 4 fees of $240 each. Any amount on your account exceeding this $440 is well overdue.

You may pay by direct debit, credit card, cash or cheque.

Your ongoing and regular payments of school fees also assists us in paying major school accounts such as electricity, gas, water, etc. which are all essential in maintaining the daily operation of the school.

Thank You

Thank you to the families who have paid their School Fees, either by direct debit or in regular payments at the school office.

As always, if families are having difficulties with fees please make an appointment with Mrs. Carol in the office. We can then negotiate a practical solution. If no contact is made with the office by parents, Mrs. Carol will be contacting families re outstanding fees in the next few weeks, requesting an appointment.
