A reading from the Holy Gospel according to Mark:

Go into the whole world and preach the Gospel.

Jesus said to the Eleven, ‘Go out to the whole world; proclaim the Good News to all creation. He who believes and is baptised will be saved; he who does not believe will be condemned. These are the signs that will be associated with believers: in my name they will cast out devils; they will have the gift of tongues; they will pick up snakes in their hands, and be unharmed should they drink deadly poison; they will lay their hands on the sick, who will recover’. And so the Lord Jesus, after he had spoken to them, was taken up into heaven: there at the right hand of God he took his place, while they, going out, preached everywhere, the Lord working with them and confirming the word by the signs that accompanied it.

The Gospel of the Lord.

Thanks be to God.
Mission Sunday

Jesus said go out and tell the world the Good News. What good news is there when I.S. Forces are showing no hesitation in murdering those who stand in their way? What good news is there when people are terrified by the spread of Ebola Virus?
The good news is seen in the Mission Sunday DVD, the good news is that there are thousands like Sr Teresa who leave their homeland and reach out to others as missionaries, the good news is as Sr Teresa says; we must have good role models so the families here can learn a NON VIOLENT way of being. In our own lives we can be the good news by committing to discuss and negotiate rather than push our ideas on others. We can also contribute to the good news by supporting the work of missionaries like Sr Teresa.
