**- Why be envious because I am generous?”**

In the Gospel, workers are fighting over how much they are paid. These days The Royal Commission into Trade Union Corruption has shown us that those who look after workers rights and pay continue to cheat and fight. Much has changed in the world since Jesus day but selfish workers haven’t changed. They need to learn from this parable; God is generous just like the boss in the story and we who live in Australia are very lucky. So I pray that I will appreciate that I am lucky, and that I will notice the beauty around me and not complain about people who earn more than I do.

**Emergency Appeal for Gaza and Iraq**

“Learn to do right; seek justice. Defend the oppressed. Take up the cause of the fatherless; please the case of the widow”. Isaiah 1:17. As Christians, we understand Peace is both a gift and task. There are envelopes at the end of your seat so that we might have the opportunity to help other families in desperate need.
