WOOLWORTHS EARN & LEARN

To everyone who collected Earn and Learn Stickers.
Thank you for your support a Great Effort!!
The school will receive in Term 1 2016 new games and puzzles to be used in the classrooms.
We would like to say Thank you to Woolworths and Modern Teaching Aids.
Dear parents,

A number of our teachers have just completed a Change2 project in conjunction with Catholic Education Melbourne. The project involved working as a team and using our school improvement plan to develop a course of action that will benefit our students over the next fifteen months and beyond.

The main focus of the team was to put in a process in order for the school to use data and effective strategies to create relevant and stimulating learning for every individual student at Holy Child.

With specific guidelines and a clear timeframe the school including staff, students and parents will have opportunities to engage in discussions so as we can all begin to see clear benefits and gains in our students’ learning during 2016 (and beyond)!

Thank you to those staff members, parents and student leaders who took part in this process.

School reports are currently being written by teachers and I have reinforced to students the importance of finishing off the year on a strong note! The year 5 students definitely need to be working to their best as this report is the one often asked to be seen by secondary schools when they are considering placements for the following year.

Our Parents & Friends group met on Tuesday to look at our term four events. Christmas raffle, Fete assistance, icy pole sales and our final working bee for the year are all chances for families to give back to the school and parish in some way over these last few weeks!!

See other parts of the newsletter for more information regarding these events. Please help where you can!!

Our Parents & Friends group is losing one of its leaders in Monica Tran as she is about to take on ‘paid’ employment. Monica has still made herself available for certain events but she won’t be able to commit the time she has over the past two years. We thank her for that time and commitment and wish her well for the future. Again, we will be looking for others to step up and assist with organisation and running of this very important group within the school!

Enjoy your extra-long weekend! (No school next Monday & Tuesday)

Have a great week (& long weekend!)

Richard Keele
