HOLY CHILD

PARISH DAY

SUNDAY, 9 October 2016

Holy Child Parish is celebrating its First Feast Day with a Mass at 11.00am at Holy Child Church, Dallas.

Main Celebrant is Bishop Terry Curtin.
A New statue of the Holy Child will be unveiled and blessed.

Mass will be followed by a Cuppa and snacks. Please bring a plate to share.

The Parish also wishes to acknowledge the 150 anniversary of the Josephite Sisters who have been part of our Parish.

This invitation is to all Parishioners, Priests and Josephite Sisters, Past and present, especially those who have been associated with our Parish.

There will be the usual Saturday, 6 pm Mass at Dallas and Sunday 9 am Mass at Meadow Heights.
From the Desk of Mr Keele

Dear parents,

As we approach our term three holidays I need to thank the parents (& grandparents) who were able to attend two very important meetings regarding Holy Child.

The first meeting last Wednesday week saw thirty one parents and a number of students attend a meeting at St George Church with Father Maher, Mr Smith and a number of school staff members.

This meeting reinforced what we are trying to achieve at Holy Child in relation to our behaviour management guidelines and the issues we are facing at school when dealing with problems that often stem from home (and the use of technology).

The meeting was arranged to see how we best might work together to alleviate some of the problems associated with today’s modern world.

From this meeting it was evident parents would like more information and assistance in regards to technology use and how to best avoid dangers associated with social media. The school is currently working with a number of organisations to have them present to parents and students the safest way to use and respond to technology. Students need to be involved in the process as they will be the ones who are one step ahead of parents in computer usage and so they need a clear understanding of the pitfalls of technology, as well as the great benefits it can offer.

Please look out for further information in relation to the very important need for greater understanding when dealing with all things technology based.

Our second meeting was last Monday when a number of parents and grandparents came to school to fill in an annual survey in relation to how they see the school is performing. This survey is undertaken each year with staff, students and parents asked to complete the questionnaire.

This information is then collated and presented to the school in order to give a clearer picture of how we are performing in a range of areas. This report can then be used by the school to plan for the future with this information in mind.

Thank you to all those parents able to give up their time over the past few weeks to help us be better prepared for 2017 and beyond!

While continuing to thank people it is most important to acknowledge the staff for their work this term especially with the school performance taking up so much time over past few weeks. The performances this week culminate in much organisation and hard work by many people but I do need to single out Ms Kellie Noonan who once again took on the responsibility of putting together the production and keeping everyone ‘on their toes’ so as the two nights would be a celebration and acknowledgement for the efforts of so many people.

I hope as parents you were able to see your children ‘shine’ if only for a quick snap shot of time!

Please remember that from term four summer uniforms are to be worn although while writing this there is not much summer being seen!! Remember that your children will need to wear school summer hats and that correct school shoes are worn with shorts!! (Not Runners) We will have a couple of week’s transition if the weather is still bleak!

I hope you enjoy a wonderful two weeks with your families and that the children are ready to return for what I’m sure will be a very busy term four!!

May the best football team win! (Hopefully not Hawthorn)

Enjoy the break!

Richard Keele
Deputy Principal
Thank you
To the parents who have taken the time to complete the annual school insight SRC survey.
Your feedback is very much appreciated.
