Please register your interest with Nicole or Van on Tuesday or Thursday 9309 1620

Dear parents,

It is hard to believe the end of term one is here. Many events have been celebrated and students have settled well into the routine of a new year, class & teacher. Our two prep grades have managed the first few unnerving weeks as new friends and routines are established. We have welcomed many newly arrived families into our community and we have created many opportunities for them to acclimatise to a new way of life with our new arrivals team working with them daily.

I am confident we can continue to give our students as many learning opportunities as possible as we create the conditions for children to be engaged in every lesson in which they participate.

Term two approaches with many challenges for teachers and students alike as Naplan and school reporting take place, excursions and 5/6 camp are organised, and many more school based inquiries are planned to stimulate the minds of many!!

I wish you all a very relaxed holiday and Easter season with family and friends.

Richard Keele
Deputy Principal
