Dear Parents,

This week I need to inform you that the Government has mandated Student Attendance in schools.

This means that each time your child is away from school, you will need to write a note or make a phone call explaining why your child is away from school.

Teachers are required to phone you and identify why a child is away from school, even if it is only for one day

If your child is away from school for 5 days in a year with no notes, then we are further required to record and report these absences to the Regional Student Wellbeing Office , Catholic Education Melbourne.
