Acting Deputy Principal Message

Ms Linda Kelly

lkelly@hcdallas.catholic.edu.au

Dear Parents and Friends of Holy Child,

We have much to be grateful for, as term two draws to a close for a much needed winter rest. Many thanks for your support over the term. Thank you to our PNF, who have worked hard raising funds to support our children. To our staff who have prepared exciting and engaging lessons for our children to learn from and to the office staff who keep our school running. Thank you to all our parents and friends, who have participated in the many activities and programs in the Hub. Thank you also to all our parents who have supported their children at home with their learning and ensured that their children are prepared and at school each day. It is now time for a rest.

Please be reminded that school will finish this Thursday at 1.40pm. After school care is available for families to book in for support on Thursday and Friday. Please join us for our end of term mass at 9.15am Thursday, whereby we will be celebrating the Feast of the Most Sacred Heart. Students are invited to wear their casual winter clothes and join in the 'Winter Wonderland' activities prepared by the SRC. Year 2 MM will also be leading the assembly at 1.00pm in the hall. Everyone is welcome.

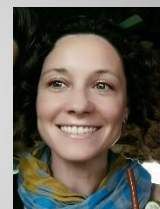

Have a great break. Stay warm and safe.

Kind regards,

Linda

This term, the Women's Wellbeing Group decided to explore our creativity and skills that we all ought to share. We did some flower vase drawings, using pastels and some knitting using different techniques. We also had flute classes and had jar decoration demos that could be used as gifts or house decor. We also can't forget our weekly cooking classes. Some would bring in ingredients that they used at home. Together, we showed other ladies, from all different cultures how we individually cooked. Special thank you to Dalia who ran the cooking demonstrations for a few weeks.

Also this term we continued with Our School Community Garden with the help of the Social Worker students, parents and the students. We welcomed everyone to put in something towards the garden. Special thanks to the Social Worker students Fatima and Mary who helped get a few things from Bunnings. Thanks also to Long & Tuyen who had helped every day to look after the garden and for contributing plants from their own garden. Not to mention, all the students who have been helping within the past few weeks getting the seedlings ready and parents who participated in the planting. Come and have a look! The garden produce is used during the Women's Wellbeing Group and for student learning. Any plants that are for sale, all profit have and will be donated towards adding to the School Community Garden. Please see Van Bui Hub Coordinator for more information on Tuesday and Thursday.
