"Always remember to love one another." Sr Mary MacKillop

Our School

The Josephite Sisters established Holy Child Primary School, Dallas, in 1965 (Parish Reg). The Josephite ethos of pastoral care and community involvement are the hallmark of the Holy Child community.

Holy Child School is part of the Dallas parish, which serves the suburbs of Coolaroo, Meadow Heights, Dallas, Upfield, Campbellfield and parts of Broadmeadows.

Early in 2015, we celebrated 50 years, our silver jubilee, marking a significant milestone in our parish history.

St. Mary MacKillop, in full Saint Mary Helen MacKillop, also called Saint Mary of the Cross, (born 15 January 1842, Melbourne, Victoria, Australia - died 8 August 1909, North Sydney, New South Wales, Australia and canonized 17 October 2010. Feast day 8 August, religious figure, educator, and social reformer who was the first Australian beatified by the Roman Catholic Church and the first Australian to be recognised as one of its saints.

The staff and children of Holy Child School, Dallas are proud that their school was the first in Australia to start a children's Mary MacKillop group!

Principal Message

Mr Alan Smith

principal@hcdallas.catholic.edu.au

Our Dear Community,

This week I wanted to talk to you about some opportunities we are going to offer through the HUB. Later this term in March we will be offering a limited place 'Barrister" Coffee Course in the canteen. The course is three days and will ensure that the participants have the knowledge and skills to make coffee using an industry café machine and work in the coffee industry. This course is low or no cost depending on your individual circumstances.

Beginning School

School has started well and our children have begun their learning and getting back into the routines of school life. To help us offer the best learning chances for our children, they need at least 8-9 hour of sleep a night and breakfast in the morning so their bodies are ready to learn. To provide the best teaching we need to get to know your children better. Parent Teacher Conferences are for you to tell us about your children, what they like and what they don't. This will help us understand them and build a better relationship. Children need boundaries. The teachers are establishing the school and classroom expectations of children. Once established, the environment in the school will be very predictable and this gives security to the children, this helps them to do their best learning.

Learning in 2020

This year we will be focusing on how we can continue the great growth in learning of our children. We will do this by teachers working within their levels, taking groups of children based on their needs and focusing on showing the children what success looks like and encouraging them to achieve success. We will also introduce our Learning Dispositions to the community over this Term and build our use and understanding of them over the rest of the year. I will be writing more in each Newsletter to help our parents to know more about Learning Dispositions and how we will use them with our children.

Changing Friendships

Friendships are very important in school, though they sometimes change over time, as children develop and their interests change. Friendships may change between years and this can be upsetting for children if a friend from last year doesn't want to play with them this year. Please counsel your child to seek out other children with similar interests or make a play date to meet at the park for a play after school. This will help the friendships to build and our children to widen the

circle of friends. If children remain worried please speak to your child's teacher they will be able to offer help and suggest a plan to move forward.

Parent Parking

The Jack Roper Carpark is used by our parents for pickup and drop off. Please be considerate and courteous when in this area as we are teaching and showing children how to act with others. Also please ensure you are not dropping children off or picking up by parking at the front gates of the school.

Just a reminder to all parents if you have a Complaint or a Grievance about the school we have a process that is displayed in the Reception Foyer for you to use and this will allow us to address your concerns quickly and efficiently.

Many Thanks May God bless you all.

Education in Faith News

A reminder to our Year 3 parents that our Reconciliation Family Evening is THIS COMING WEDNESDAY AT 6:30pm IN THE AMPHITHEATRE. If your child is making their First Reconciliation at Holy Child this year, you must attend this night with your child. The children are also required to attend one of the Reconciliation Commitment Masses on Saturday 29 February or Sunday 1 March. Thank you for supporting your child's faith journey.

A reminder to contact the office by Friday 21 February if you or someone you know in our community, has experience in design or art. We would love to work with members of our community to design a new cross for the front of our school.

The children in Years 3-6 will join with our parish community for Ash Wednesday Mass at 9:15am on Wednesday 26 February. All are welcome to attend with us!

General Reminders

Parent-Teacher Interviews are on this evening and tomorrow (Friday 14 February). There is **NO SCHOOL** on Friday 14 February. Please be sure to come for your interview on time so that everyone has the opportunity to meet with their child's teacher.

Our "Twilight Sports" event will be held from 5:30pm – 7:00pm on Thursday 5 March. Please mark this date in your diary and come along as a family. There will be races and novelty events for the children – and even a race for the parents! It's always a great evening, so be sure to come along.

Friday 6 March is a Professional Practice Day for our staff. There will be **no school** on this day. Our Outside of School Hours Care program will be running. Please make a booking with Camp Australia if you need supervision for your child on this day.

Sincerely,
Bernadette

ASTHMA PLAN

Dear Parents,

The safety and wellbeing of our students is very important to us.

If your child has asthma, please make sure that we have a copy of their **Asthma Plan** at school.

If your plan is old and out-of-date, it will need to be replaced with a new plan from your doctor.

If you are unsure whether or not your plan is old, please come to the office and we can let you know.

Thank you.

IMPORTANT

School Grounds Hours

Gates Open: 8.30am

Gates Close: 3.40pm

Please note, children playing outside the school grounds, before and after school, are not supervised until 8.30am before school and up to 3.40pm after school. Many children are going to the Jack Culpin Car Park\Reserve and Gibbs Reserve, before and after school, to wait for their parents' drop-off and pick-up. We are not able to supervise your children in these areas.

Please ensure that your children are collected from the School Grounds in **Area 1**. If your child is not collected by 3.40pm they are to be collected from the Reception Foyer.

HUME CITY COUNCIL

Leisure Programs for your children to stay fit and active within your community. BOXFIT for Kids classes give participants the best aspects of learning to box, that focus on non-contact drills, fitness, strength building exercises and working with partners. The classes are fun and well-structured in a relaxed atmosphere.

TAEKWONDO 'Just for Fun' Offers classes instructed by a qualified Taekwondo coach in a fun and relaxed environment that promotes physical activity for your child. We do not operate a grading system - it's just for fun!

DANCE CLASSES Classes are based on learning different styles of dance to the latest music releases, working on technique and movement that enhances skills

SINGSTARS A fun and exciting new program that teaches singing in the one class. Our classes will make you feel good, enrich lives and it's fun. What more can you ask for? * Private singing lessons can be arranged as required.

ACROBATICS Our acrobatics classes are taught using artistic gymnastic tumbling techniques and also include elements of partner balancing, trampette work and contortion. Acrobatic classes help dancers build upper body strength, agility and flexibility which can be beneficial in other dance genres. Our acrobatics classes are divided on skill-base rather than age to allow for students to work to their fullest potential.

SUNSMART

Being **SunSmart** in Victoria

When UV is 3+

Slip on covering clothing

Slop on SPF30 or higher,
broad-spectrum, water-
resistant sunscreen

Slap on a broad-brimmed hat

Seek shade

Slide on sunglasses (AS:1067)

Think UV, not heat! UV rays can't be seen or felt and can damage your skin on cool or cloudy days.

Download the SunSmart app to find sun protection times for your location in Australia.

When UV is below 3

Sun protection isn't required unless you are outdoors for extended periods or near reflective surfaces, such as snow.

sunsmart.com.au/app

We aim to be SunSmart - a note for families

Too much UV can cause sunburn, skin and eye damage and skin cancer. Overexposure to UV during childhood and adolescence is a major factor for future skin cancer risk.

You can't see or feel the sun's UV so don't be fooled. Whatever the weather, if the UV levels are three or more, it's important to *Slip, Slop, Slap, Seek and Slide!*

Our OSHC service aims to protect children and staff from too much UV to help minimise future skin cancer risk. We follow Cancer Council Victoria's SunSmart guidelines and recommendations. Please help support us by ensuring your child follows the SunSmart measures included in our policy.

During the daily local sun protection times (issued whenever UV levels are three and above), use these 5 SunSmart steps – even if it's cool and cloudy.

1. **Slip on a shirt** - ensure your child wears clothing that covers as much skin as possible (e.g. elbow length tops with a higher neckline or collar and longer style shorts or skirts). Densely woven fabrics are best.
2. **Slop on SPF 30 (or higher) broad-spectrum, water-resistant sunscreen** – apply a generous amount of sunscreen at the start of the day and make sure children have sunscreen in their bag ready to be reapplied throughout the day. Sunscreen should be reapplied every two hours. Please ensure they get plenty of sunscreen application practice at home so they'll be all set when they are at OSHC.

3. **Slap on a hat** – one that protects the face, neck and ears such as a broad brimmed, legionnaire or bucket style hat. Peak caps do not offer enough protection and are not recommended by SunSmart. Please help your child remember to bring and wear their approved hat.
4. **Seek shade** – choose shady spots for play whenever possible.
5. **Slide on some sunglasses** - if practical and approved by the school. Make sure they are labelled AS 1067 and cover as much of the eye area as possible.

Sun protection times

Don't just wait for hot and sunny days to use sun protection. Check the sun protection times each day so your family can be protected when they need to be.

Daily local sun protection times and weather details are available from the SunSmart widget on our school website, in the weather section of the newspaper, on the SunSmart website at sunsmart.com.au and as a free SunSmart app. Sun protection times can also be found at the [Bureau of Meteorology website](#) and live UV levels are available from [ARPANSA](#).
