Deputy Principal Message

As we approach the end of the school year, it's a time to reflect on all the wonderful achievements our students have made. This year has been filled with growth, both academically and personally, and it's been a joy to witness the progress of each child. From exciting classroom learning tasks to new friendships formed, our school community has truly come together. As we look ahead to the holiday season, we can't help but feel proud of how much our students have accomplished.

With Advent upon us, it's a perfect time to pause and appreciate the season of hope and anticipation. Our school has embraced the spirit of Advent through thoughtful reflections and activities, helping students understand the deeper meaning of Christmas. In the weeks leading up to the holidays, children have been engaging in various festive traditions, learning about kindness, gratitude, and the importance of giving. It's a time to celebrate both the joy of the season and the values that make our school community so special.

As we prepare for Christmas, we are excited to celebrate together as a school family. The festive spirit is alive and well, with students performing magnificently at our recent school Christmas Carols, decorating classrooms, and participating in classroom prayer liturgies. It's a beautiful reminder of the importance of community and generosity during this time of year. We look forward to ending the year with a sense of gratitude and anticipation for what's to come in the new year. Wishing all of our families a peaceful, joyful Christmas season!

God Bless,

Guy Toomey
(Deputy Principal/Religious Education Leader)

SUNSMART

Australia has one of the highest rates of skin cancer in the world.

In Victoria, from September through to the end of April, average UV levels are 3 and above, which is when UV radiation can damage skin and eyes and lead to skin cancer. When the UV Index is 3 and above:

- **Slip** on sun-protective clothing.
- **Slop** on SPF30+, broad-spectrum, water-resistant sunscreen; put it on 20 minutes before you go outdoors and every two hours afterwards.
- **Slap** on a hat that protects your face, head, neck, and ears.
- **Seek** shade.
- **Slide** on some sunglasses - make sure they meet Australian Standards.

Holy Child is a SunSmart School, and we enforce **NO HAT NO PLAY**.

Children must wear the school hat during the break times at school.

FOOD AND DRINK

During warmer weather, DRINK MORE WATER

As the weather warms up it is important that our children drink regularly.

Children will need a clearly named and refillable drink bottle.

Please do not send food that needs re-heating.

Due to health and safety, we are unable to heat children's food at school.

During cooler weather

As the weather cools, ensure children are appropriately dressed for cold rainy days and if they are wearing a beanie or gloves that they are navy blue or black.

Beanies are available for purchase at the school.

Parent Parking

- This is a reminder for all parents that the parking at the front of the school is to be used for drop off and pick up only.
- No cars should be parking there for more than 10 minutes allowing enough time to pick up or drop off your children.
- You should not be parking in the disabled parking bay, nor should you be parking in front of the gate. The gate needs to be clear at all times for emergency access.
