A MESSAGE FROM THE DEPUTY PRINCIPAL

Living the Gospel

This week I have had the opportunity to continue planning Religious Education units and lessons with our teaching staff. It is vital that staff in Catholic schools have an opportunity to explore their own faith and can 'dialogue' this faith with their colleagues before leading Religious Education lessons with their students. Most importantly for our staff, our students and our parents it is in being called to 'action' our faith through living the 'Gospel' (God News).

One team unpacked the 'Parable of The Rich Man' (Luke 12: 16 - 21).

16 Then he told them a parable: "There was a wealthy man whose land yielded an abundant harvest. 17 He thought to himself, 'What shall I do, for I do not have sufficient space to store my crops?' 18 Then he said, 'This is what I will do. I will pull down my barns and build larger ones, where I will store my grain and other produce, 19 and I shall say to myself, "Now you have an abundance of goods stored up for many years to come. Relax, eat, drink, and be merry.'" 20 "But God said to him, 'You fool! This very night your life will be required of you. And who then will get to enjoy the fruit of your labours?' 21 That is how it will be for the one who stores up treasure for himself yet fails to become rich in the sight of God."

We often hear that to fully live out the kingdom message of Jesus is to be counter-cultural. This parable is a perfect example of that call. Jesus himself acted in contrast to his cultural context and often used examples in his teaching that flew in the face of cultural expectation. What does it mean to be counter-cultural today? Our world is driven by an emphasis on the individual; an emphasis on acquisition; an emphasis on consuming. The kingdom parables call us to be the agents of change, that, in our own small way to make a difference in the world.

God bless you all. May we continue working together to provide the best Catholic education we can for our students.

MEDICAL ACTION PLANS

For the safety of our children

Dear Parents/Guardians/Carers,

As part of Holy Child Primary School's commitment to our children, please provide us with a **Medical Action Plan**, if required by your child; samples attached.

If your child has developed symptoms or their current medication has changed, take this letter to your medical practitioner to complete an appropriate Medical Action Plan, as per the attached samples.

Once completed, return the Medical Action Plan to the school as soon as possible, together with the student's medication and any other aid.

If your medical practitioner has informed you that your child no longer experiences any symptoms, he/she will need to provide a letter, on the practice letterhead, to the school stating such.

HOLY CHILD

Primary School | Dallas

Dear Parents/Guardians/Carers,

A new enterprise agreement covering teachers across most of the Catholic schools in Victoria, including ours, has been approved and is in effect.

The new agreement delivers several positive changes for both our dedicated staff and the overall functioning of our school, including improved pay and employment conditions. One key aspect of this agreement is the inclusion of new time-in-lieu provisions, which will enable our teachers and support staff to accumulate additional time off when they are required to work more than their regular 38 hours per week which might include overnight camps and supervision at evening and weekend activities.

This change is a recognition of the considerable extra work our teachers are asked to do and will enhance their work-life balance and well-being.

However, implementing these changes will mean that students will finish up a couple of days earlier than usual, on Friday 15 December. This will limit any disruption to students throughout the year and enable our staff to avail themselves of their earned time off during the holiday season, rejuvenating themselves for the upcoming year.

I am letting you know now as I wanted to give you ample time of the new finishing up date to accommodate any changes to your schedules or arrangements at what is a busy time of the year.

We sincerely appreciate your understanding and support in this matter. By prioritising the well-being and work-life balance of our dedicated staff, we are fostering an environment that promotes excellence in teaching and learning.

If you have any questions or concerns about the new enterprise agreement or the revised finishing up date, please do not hesitate to reach out to us.

Thank you for your continued partnership as we strive to provide an outstanding education for our students.

Prep RACV Incursion

On Tuesday July 11, the Preps had an incursion facilitated by Anne from RACV about safety.

Anne taught them how to stay safe when they are a passenger in a car, or a pedestrian walking on the streets and when using a bike, scooter or skateboard. The Preps learnt that you need to have a height of 145cm to be able to sit in the front passenger seat of a car. They also learnt a song to help them to remember to "stop, look, listen and think before you cross the road".

The Preps were given a flier with information and a bag tag to take home.

It was a fun, engaging and informative learning experience.

Prep Arty Adventures at the Lume and NGV

On Tuesday, July 25 the Preps went on an excursion to the Lume and the National Gallery

of Victoria. We had a fabulous day and the Prep students were so well behaved that staff at

both the venues commented and praised them. Mr Marchione and I were very impressed

and felt very proud.

The Lume provided us with a multisensory experience where about 150 projectors beamed

artworks on all the walls and the floor, within the space. There was also music playing,

actual artworks to look at and a room where you could change the artwork with your

movements. It was where we saw the current exhibition 'Connection' which contained First

Nations art and music.

We got back on the bus to travel to the NGV International, so that we could eat our lunch

in the Sculpture Garden. Both classes explored the sculptures in the Sculpture Garden and

admired the Stained Glass Ceiling in the Great Hall by lying on the carpet. We talked about

all the colours, shapes and animals we could see. We also went into the Children's Gallery to

see the latest Design inspired exhibit called "Up, Down and All Around." There were many

things for us to do in there because it is specifically designed to be interactive. There were

large blocks for building, shaped for making portraits, drawing supplies and interactive

screens for designing.

We would like to thanks Ms Seyis for coming and joining us on our arty adventure.

Also a heartfelt thanks to our hardworking LSOs Mrs Vicki, Mrs Chandrika and Mr

Alex, who always go above and beyond for the students. Thanks to Amanda (Sophia

Jello's mum) for coming to help us out. Special thanks to our volunteers Ms Judy,

Mrs Juanita and Mr Chris, who also wanted to join us to lend a helping hand.

Lastly, I'd like to thank Mr Smith who provides us with an excursion budget that

allows us to be able to go on these excursions and enables us to have such wonderful

learning experiences.

SUNSMART

Australia has one of the highest rates of skin cancer in the world.

In Victoria, from September through to the end of April, average UV levels are 3 and above, which is when UV radiation can damage skin and eyes and lead to skin cancer. When the UV Index is 3 and above:

1. **Slip on sun-protective clothing**
2. **Slop on SPF30+, broad spectrum, water resistant sunscreen - put it on 20 minutes before you go outdoors and every two hours afterwards**
3. **Slap on a hat - that protects your face, head, neck and ears**
4. **Seek shade**
5. **Slide on some sunglasses - make sure they meet Australian Standards.**

Holy Child is a SunSmart School and we enforce **NO HAT NO PLAY.**

Children must wear the school hat during the break times at school.

FOOD AND DRINK

During warmer weather, DRINK MORE WATER

As the weather warms up it is important that our children drink regularly.

Children will need a clearly named and refillable drink bottle.

Please do not send food that needs re-heating.

Due to health and safety, we are unable to heat children's food at school.

During cooler weather

As the weather cools, ensure children are appropriately dressed for cold rainy days and if they are wearing a beanie or gloves that they are navy blue or black.

Beanies are available for purchase at the School.

IMPORTANT DRIVEWAY REMINDERS

DO NOT park your car in front of this gate and shed. This impacts any cars trying to turn out or back out of the car park.

THIS is the only gate to exit from (turn your vehicle left out of). Remembering our driveway is a one way 'drive through' driveway

THREE important reminders

- In the morning and the afternoon drivers are to move as far down the driveway as they can. You must be aware of other vehicles driving behind you.
- Children must get into and out of the car on the **passenger side** of the car (**NOT** the door behind the driver!) as this will stop students from walking between two cars.
- School bags **must** be inside the car with students and **not** in the boot of the car.

Please remember these reminders for the safety of all as we begin Term Two.

Thank you,
Mr Alan Smith and Mr Guy Toomey
