Issue 12 | 11 August 2023

Welcome to this week's Newsletter.

Holy Child Primary School is the parish primary school of Dallas, which serves the suburbs of Coolaroo, Meadow Heights, Dallas, Upfield, Campbellfield and parts of Broadmeadows.

The Josephite Sisters established Holy Child Primary School, Dallas, in 1965 (Parish Reg). The Josephite ethos of pastoral care and community involvement are the hallmark of the Holy Child community.

St. Mary MacKillop, in full, Saint Mary Helen MacKillop, also called Saint Mary of the Cross, (born 15 January 1842, Melbourne, Victoria, Australia - died 8 August 1909, North Sydney, New South Wales, Australia and canonized 17 October 2010. St Mary MacKillop's Feast day is 8 August.

We are proud that Holy Child Primary was the first in Australia to start a children's Mary MacKillop group!

Let us show this love in our acts bearing with one another, forgiving and forgetting.

A MESSAGE FROM THE DEPUTY PRINCIPAL

Mary MacKillop 1842 - 1909

Mary MacKillop worked for over 40 years helping the poor. She began an Order of teaching nuns and opened schools, refuges and orphanages across Australia. The Government at that time did not help people who were sick or poor, and without Mary's work many would have died.

Mary was born in Fitzroy, but her parents had come from Scotland. She was the eldest of eight children and the family was quite poor, but Mary had been well educated by her father. Mary first started working as a governess, then as a teacher.

With the help of a good friend, Fr. Julian Tenison Woods, Mary began an Order of nuns, known as the Sisters of St. Joseph. The main aim of the nuns was to serve God by providing an education for poor children. Mary opened a school in an old stable in Penola in South Australia, because there was no money to build a proper school. Later Mary opened another school in Adelaide and with the help of the sisters who had joined her Order, soon opened many other schools in Australia and later in New Zealand.

In 1871, there was a clash between Mary and the Bishop of Adelaide, who wanted Mary and the sisters to make some changes. Mary was not prepared to compromise as the changes were likely to disadvantage the poorer children, so Mary was excommunicated, which means she was no longer allowed to receive the Eucharist. This broke Mary's heart, because she loved God so much and the Eucharist was very important to her. This lasted for 5 months, but finally the Bishop realised he had been wrong and lifted the excommunication just days before he died. Mary must have been so sad during those 5 months, but she was determined to stand up for the poor even if it meant suffering for her. She showed great courage throughout this ordeal.

Later Mary also set up a home for homeless and sick people, orphanages for boys and girls, and a home for single mothers and their babies. Despite being very ill in later life, Mary continued to work for God right up until her death in 1909. The move to have her declared a saint began in 1926 and continued for many years. Following the visit to Australia by Pope John Paul in 1995 she is now known as Saint Mary MacKillop.

On Tuesday 8 August each class participated in a short prayer liturgy based on the life of Mary MacKillop. This was led by our 2023 Mary MacKillop Group. Thank you to the following students for their reverence and respect in leading these liturgies; Elara Yokhanna, Fadi Alkaseer, Ramenia Jameel, Natalie Mesho, Teresa Nguyen, Mary Bui, Angela Tran, Maryann Mikho and Amar Bittar. Alongside our Religion Captains; Akuol Domar and Gabriella Warda.

SUNSMART

Australia has one of the highest rates of skin cancer in the world.

In Victoria, from September through to the end of April, average UV levels are 3 and above, which is when UV radiation can damage skin and eyes and lead to skin cancer. When the UV Index is 3 and above:

1. **Slip on sun-protective clothing**
2. **Slop on SPF30+, broad spectrum, water resistant sunscreen - put it on 20 minutes before you go outdoors and every two hours afterwards**
3. **Slap on a hat - that protects your face, head, neck and ears**
4. **Seek shade**
5. **Slide on some sunglasses - make sure they meet Australian Standards.**

Holy Child is a SunSmart School and we enforce **NO HAT NO PLAY.**

Children must wear the school hat during the break times at school.

FOOD AND DRINK

During warmer weather, DRINK MORE WATER

As the weather warms up it is important that our children drink regularly.

Children will need a clearly named and refillable drink bottle.

Please do not send food that needs re-heating.

Due to health and safety, we are unable to heat children's food at school.

During cooler weather

As the weather cools, ensure children are appropriately dressed for cold rainy days and if they are wearing a beanie or gloves that they are navy blue or black.

Beanies are available for purchase at the School.

IMPORTANT DRIVEWAY REMINDERS

DO NOT park your car in front of this gate and shed. This impacts any cars trying to turn out or back out of the car park.

THIS is the only gate to exit from (turn your vehicle left out of). Remembering our driveway is a one way 'drive through' driveway

THREE important reminders

- In the morning and the afternoon drivers are to move as far down the driveway as they can. You must be aware of other vehicles driving behind you.
- Children must get into and out of the car on the **passenger side** of the car (**NOT** the door behind the driver!) as this will stop students from walking between two cars.
- School bags **must** be inside the car with students and **not** in the boot of the car.

Please remember these reminders for the safety of all as we begin Term Two.

Thank you,
Mr Alan Smith and Mr Guy Toomey

KISS & GO

**STAY WITH YOUR CAR
2 MINUTE LIMIT**

Parents, drop off your children as quickly as possible and move your car so others are able to park.
