Welcome to this week's Newsletter.

Holy Child Primary School is the parish primary school of Dallas, which serves the suburbs of Coolaroo, Meadow Heights, Dallas, Upfield, Campbellfield and parts of Broadmeadows.

The Josephite Sisters established Holy Child Primary School, Dallas, in 1965 (Parish Reg). The Josephite ethos of pastoral care and community involvement are the hallmark of the Holy Child community.

St. Mary MacKillop, in full, Saint Mary Helen MacKillop, also called Saint Mary of the Cross, (born 15 January 1842, Melbourne, Victoria, Australia - died 8 August 1909, North Sydney, New South Wales, Australia and canonized 17 October 2010. St Mary MacKillop's Feast day is 8 August.

We are proud that Holy Child Primary was the first in Australia to start a children's Mary MacKillop group!

Let us show this love in our acts bearing with one another, forgiving and forgetting.

A MESSAGE FROM THE DEPUTY PRINCIPAL

Hello Holy Child Parents,

“Now when it was late that same day, the first of the week, and the doors were shut, where the disciples were gathered together, for fear of the Jews, Jesus came and stood in the midst, and said to them: Peace be to you.”

Last Sunday was Pentecost Sunday. All Christians receive the Holy Spirit when they are baptised. We receive the gift of the Holy Spirit when we are baptised and we continue to receive this gracious gift each time we are open to the goodness of God in our daily moments. It can be easy to miss moments which have been graced by the movement of God or to take these moments for granted.

What impact does this gift of grace continue to have in our lives? The Pentecost story describes a power and transformation that changes fearful disciples into bold proclaimers of the Word of God.

How can we reclaim this same energy and drive in our own lives?

We need to open our hearts and minds to be filled with the Holy Spirit, letting go of our fears and believing that the same power that enlivened the disciples is available to us, here and now. Let today be a good day to deepen our awareness of how the Holy Spirit guides, protects, encourages, comforts, sustains and draws us toward a more complete union with our Creator.

In Jesus' name we pray...
Bearer of Gifts,
Celebrate your presence within our lives.
May your power be at the source of our actions,
In all our moments....

May God bless you all.

A visit from the Chaldean Priests...

Fathers Thair Sheikh, Mahir Murad, (Guy Toomey) and Sami Markhaya

An invitation was extended on behalf of Holy Child's Year 5/6 Teachers and Students to the Chaldean Priests to speak with students in relation to their Inquiry Unit. The main focus of their talk to the students was for students to:

1. reflect on ways to build just and compassionate relationships
2. explain the Church's understanding of human dignity

At the heart of their presentation was for students to remember the 'Golden Rule' from (Matt 7:12) "Do unto others as you would have them do unto you."

I encourage our Years 5/6 students to continue to lead by example in everything they do. Students are always reminded that '*leadership is an action*' and this verse from Matthew's Gospel is a reminder for not only our students but how we treat each other in our Holy Child school community.

We are certainly very blessed to have had Fathers Sheikh, Murad and Markhaya come and share their wisdom with us. They share our school's values of 'Wisdom, Knowledge and Grace' and have a significant impact on a number of our students who are part of the Chaldean Church community. Thank you for visiting Holy Child.

Reconciliation...

To introduce you to Father Vincent Nguyen! Father Vincent is the Parish Priest of Holy Child. I would like to personally thank Fr Vincent for his commitment and love in helping to prepare our Year 3 students for the Sacrament of Reconciliation which was held in the Holy Child Church on Wednesday 24 May. Through our Family Faith Night, Commitment Masses and finding an opportunity to speak with students in his own time, Father Vincent helped to ensure that our students were guided in the right direction in being ready to participate in this sacrament of healing.

Thank you very much Father Vincent!

Psalm 106:1 Give thanks to the Lord, for he is good; his love endures forever.

Well done to our students who were involved in the Sacrament of Reconciliation this year and a BIG thank you to our Year 3/4 Teachers: Miss Ellie Chepanidis, Ms Samantha Wickramasinghe and Miss Stephanie Spiroska.

Community building....

At Holy Child Primary School, we enrol the whole family and not just your child! Presenting some of the faces from our school community from our Hub's Cooking Class which runs on Thursdays! (My favourite day of the week!). Our Mums and Dads have been practising their cooking skills. Most importantly our hub sessions are a great way for members of our Holy Child community to meet one another!

Our Community Hub provides cooking classes, English classes, children's playgroups, coffee making classes and parenting classes. Information on any of these programs can be found in the foyer of the Church and the foyer of Holy Child School. These classes are **free of charge**. Please call Van Bui or Melissa Young at Holy Child on 9309 1620.

Without a sense of
caring, there can
be no sense of
community.

Official opening of our Kindergarten...

Last Friday 26 May the kindergarten on our Holy Child school site was officially opened. We welcomed our local Mayor, Councillor Joseph Haweil, the Honourable Ingrid Stitt and our local council member Mrs Kathleen Matthews-Ward.

In 2022 we opened our kindergarten with twenty-two students. This year, 2023 we have thirty-three students and are at capacity. This means we have 55 children and families that have already had a massive boost to their learning!

I would like to thank Mr Martin Prior and Mr Alan Smith for their hard work in making this a reality. They have worked tirelessly over the past five years to make this dream come true.

Finally, to thank the parents who were able to attend. Also our Student Captains of Holy Child, Lila Addamo, Ashur Oshana, Peter Butruss and Eliana Yokhanna. These students did a fantastic job in helping to showcase our kindergarten. Well done!

PREP BUTTERFLY ADVENTURES INCURSION

On Wednesday May 17, Prep RR and Prep AM were lucky enough to have a wonderful butterfly incursion. The incursion began with Sharon discussing the life cycle of a butterfly using posters. The Preps were able to demonstrate their knowledge about butterflies from our Museum excursion and from reading nonfiction books and learning facts about butterflies.

Sharon asked for a volunteers to be dressed up as a butterflies. Rozita and Joseph wore the costumes that helped us to understand more about the parts of a butterfly's body. Now we know about the proboscis, the four scaly wings, the compound eyes, the antennae they smell with and the legs they taste with.

Next, we separated into small groups and moved through different activities. We read books, looked at plastic insects, used magnifying glasses to analyse butterflies, we drew our favourite part of a butterfly's life cycle and drew caterpillar patterns on strips of paper.

Lastly, we all got to go into the tent to hold, look at and feel the real Monarch butterflies. This was the most exciting part and it was so delightful to see the children enjoy the experience and be filled with utter joy. They giggled with delight, exclaimed that the butterflies' legs were ticklish and were ecstatic to be surrounded by real butterflies.

Why is wellbeing and mental health important?

The wellbeing and mental health of people around the world has been heavily impacted by many pressures they have had to endure in recent times. It is important to acknowledge and address the fact that individuals, families and communities have faced some difficult times.

Having good mental health makes life easier. It helps us to calm and comfort ourselves when we're upset, to cope with the losses, changes, fears and uncertainties in life, to make and keep good relationships with other people and to learn. Having good mental health does not mean feeling good all the time.

While it's not always easy, being grateful for the positives in life can have a profound impact on your mood, outlook, and overall well-being.

Gratitude involves showing appreciation for the things in life that are meaningful or valuable to you. Taking a moment to notice and acknowledge the things you're grateful for each day can brighten your outlook, boost your mood, and help you feel more positive in the face of challenges.

You can help keep your children safe and healthy by ensuring they are dressed suitably for the weather. As the days are getting colder your child needs to be able to stay warm! Don't forget to talk with your child about their day and enjoy and be grateful for sharing time with them.

SUNSMART

Australia has one of the highest rates of skin cancer in the world.

In Victoria, from September through to the end of April, average UV levels are 3 and above, which is when UV radiation can damage skin and eyes and lead to skin cancer. When the UV Index is 3 and above:

1. **Slip** on sun-protective clothing
2. **Slop on** SPF30+, broad spectrum, water resistant sunscreen - put it on 20 minutes before you go outdoors and every two hours afterwards
3. **Slap** on a hat - that protects your face, head, neck and ears
4. **Seek** shade
5. **Slide** on some sunglasses - make sure they meet Australian Standards.

Holy Child is a SunSmart School and we enforce **NO HAT NO PLAY**.

Children must wear the school hat during the break times at school.

FOOD AND DRINK

During warmer weather, DRINK MORE WATER

As the weather warms up it is important that our children drink regularly.

Children will need a clearly named and refillable drink bottle.

Please do not send food that needs re-heating.

Due to health and safety, we are unable to heat children's food at school.

During cooler weather

As the weather cools, ensure children are appropriately dressed for cold rainy days and if they are wearing a beanie or gloves that they are navy blue or black.

Beanies are available for purchase at the School.

IMPORTANT DRIVEWAY REMINDERS

DO NOT park your car in front of this gate and shed. This impacts any cars trying to turn out or back out of the car park.

THIS is the only gate to exit from (turn your vehicle left out of). Remembering our driveway is a one way 'drive through' driveway

THREE important reminders

- In the morning and the afternoon drivers are to move as far down the driveway as they can. You must be aware of other vehicles driving behind you.
- Children must get into and out of the car on the **passenger side** of the car (**NOT** the door behind the driver!) as this will stop students from walking between two cars.
- School bags **must** be inside the car with students and **not** in the boot of the car.

Please remember these reminders for the safety of all as we begin Term Two.

Thank you,
Mr Alan Smith and Mr Guy Toomey
