A Little History ...

**Our School Motto
Wisdom Knowledge and Grace**

Holy Child Primary School is the parish primary school of Dallas, which serves the suburbs of Coolaroo, Meadow Heights, Dallas, Upfield, Campbellfield, and parts of Broadmeadows.

The Josephite Sisters established Holy Child Primary School, Dallas, in 1965 (Parish Reg). The Josephite ethos of pastoral care and community involvement are the hallmark of the Holy Child community.

St. Mary MacKillop, in full, Saint Mary Helen MacKillop, also called Saint Mary of the Cross, (born 15 January 1842, Melbourne, Victoria, Australia - died 8 August 1909, North Sydney, New South Wales, Australia and canonized 17 October 2010. St Mary MacKillop's Feast Day is 8 August.

We are proud that Holy Child Primary was the first in Australia to start a children's Mary MacKillop group!

Deputy Principal Message

This week students have been learning about the story of Leaia from Samoa and the impact of climate change leading her and her family to not have access to water. While Samoa is a beautiful country surrounded by water, there is not enough clean drinking water in some areas. This makes life very hard for many families like Leaia's.

Leaia lives with her family on the island of Upolu in Samoa. She was worried about running out of water. Their home is not connected to a piped water system, so their only source of water was rainwater collected in old fridges.

However, due to climate change they are experiencing shorter rainy seasons and longer dry seasons. This has left Leaia's family without enough clean water.

When their water ran out, Leaia and her children had to collect water in containers from a neighbour down the street. The children would have to take several breaks as the buckets were very heavy for them to lift. Her children would also miss school during the dry season as there was a lack of clean water at school too.

With the support of Caritas Australia's local partner Caritas Samoa, a 3,000 litre water tank was installed at Leaia's home. She and her family now have a steady supply of clean drinking water!

Next year, they will also have a toilet built through the program, which will further improve their health and living conditions.

HOLY CHILD

Primary School | Dallas

Dear Parents / Guardians / Carers,

This year we will be offering a 'Student Led Learning Conference' as part of school reporting on our children's learning progress. Please attend your meeting promptly at your assigned time and don't be late as your child will present their learning goal and two pieces of work selected by them to you, demonstrating their learning. Conferences can't be extended past 15 minutes.

The teachers will act as a facilitator prompting the child and parent for questions about the child's learning.

Please ask your children to show you their 'Website' and some of the work they have chosen as examples/evidence of their learning. This will help you to prepare some questions for your children. In preparation for our conferences I have shared some examples of questions I would ask of even our youngest children.

Tell me about your work here. What made this piece of work important to you?

What did you learn from doing this work?

How would you describe the similarities and differences between your two pieces of work?

How would you develop your learning further?

Can you point out the main part of your work?

What did this help you to understand?

Can you give me an example of other work you have achieved?

In our new Student Led learning conferences the children will use evidence of their learning, build their capacity to present information, reflect on their learning, receive feedback, develop new goals, be accountable and expand their engagement in our learning community.

Parking at the front of the school is becoming increasingly difficult. Parents please if you need to park it must only be for a very short period of time as we have many families for Kindergarten as well as school. Please use the Kiss and Drop area instead of parking as this will support us in ensuring the safety of our children and parents. For Kiss and Drop please ensure the children are seated on the left hand side of the car, their bags are near them in the car or can be accessed by the children from the car boot. This will help all of us to move quickly and safely each morning.
Many thanks

Also each term I will be meeting with the Holy Child School Advisory Council, to plan, advise and recommend progressive actions across areas of our school.

May God Bless you all.

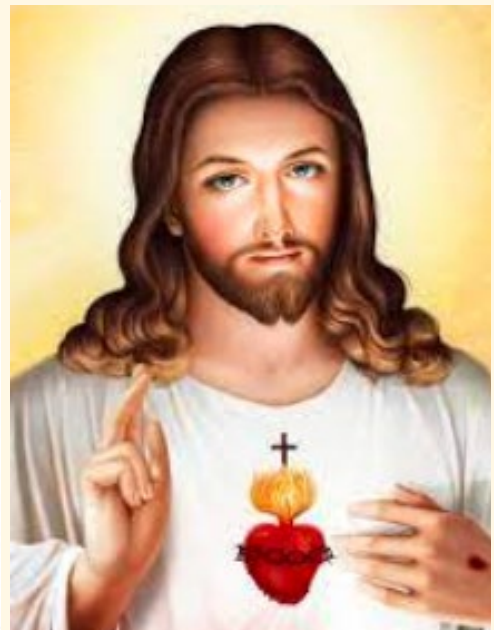

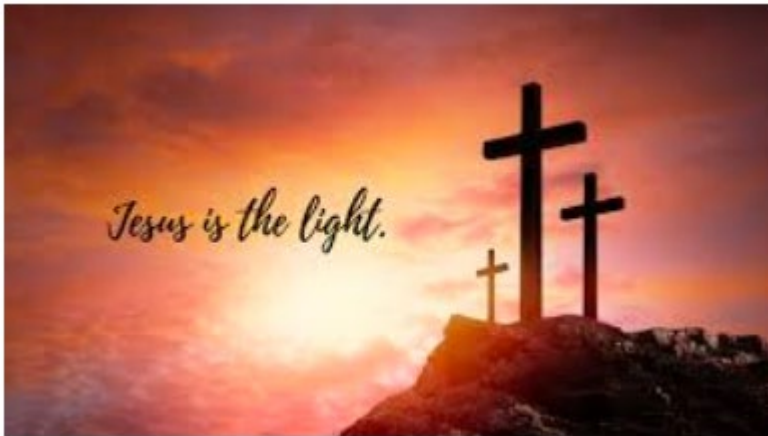

Alan Smith
Principal

School ends 3:20pm

Children playing outside the school grounds, before and after school, are not supervised until 8.30am before school and up to 3.40pm after school. Many children are going to the Jack Culpin Car Park\Reserve and Gibbs Reserve, before and after school, to wait for their parents' drop-off and pick-up. We are not able to supervise your children in these areas.

Please ensure that your children are collected from the School Grounds in Area 1. If your child is not collected by 3.40pm they are to be collected from the Reception Foyer.

SUNSMART

Australia has one of the highest rates of skin cancer in the world.

In Victoria, from September through to the end of April, average UV levels are 3 and above, which is when UV radiation can damage skin and eyes and lead to skin cancer. When the UV Index is 3 and above:

1. **Slip** on sun-protective clothing.
2. **Slop on** SPF30+, broad-spectrum, water-resistant sunscreen; put it on 20 minutes before you go outdoors and every two hours afterwards.
3. **Slap** on a hat that protects your face, head, neck, and ears.
4. **Seek** shade.
5. **Slide** on some sunglasses - make sure they meet Australian Standards.

Holy Child is a SunSmart School, and we enforce **NO HAT NO PLAY**.

Children must wear the school hat during the break times at school.

**NO HAT
NO PLAY**

FOOD AND DRINK

During warmer weather, DRINK MORE WATER

As the weather warms up it is important that our children drink regularly.

Children will need a clearly named and refillable drink bottle.

Please do not send food that needs re-heating.

Due to health and safety, we are unable to heat children's food at school.

During cooler weather

As the weather cools, ensure children are appropriately dressed for cold rainy days and if they are wearing a beanie or gloves that they are navy blue or black.

Beanies are available for purchase at the school.
