Parent Parking: the front car park is for drop-off and pick-up only (max 10 minutes); do not use the disabled bay or block the gate, which must remain clear for emergency access.

No Smoking: our school is a strict smoke-free zone, and smoking is not allowed anywhere on or near school grounds.

MEDICAL ACTION PLANS

For the safety of our children

Dear Families,

Reminder – Medical Action Plans

To keep your child safe at school, we need up-to-date medical action plans for any health conditions like anaphylaxis (serious allergies), asthma, diabetes, epilepsy, or other medical needs.

Anaphylaxis (serious allergies)

If your child has an allergy or risk of anaphylaxis, please give the school an ASCIA Action Plan signed by your doctor or nurse. This plan must include a recent photo of your child. Plans need to be updated every year and before school camps, excursions, or travel. Please also send your child's EpiPen or other medication that matches the plan. You can read more about this in the *MACS Anaphylaxis Policy* [Item 5.1 – ASCIA Action Plans](#).

What to do:

1. Ask your child's doctor for a current plan.
2. Give the plan to the school office – you can bring it in or email it to admin@hcdallas.catholic.edu.au.
3. Send any needed medicine (for example, EpiPen or inhaler) with the plan.

It is the family's job to give these documents to the school.

Thank you for helping us keep your child safe.
